66 *He came and preached peace to you who are far away and to those who are near. Through Him we are able to draw near, being one Spirit, to the Father. Thus from henceforth you are neither strangers nor foreigners but fellow citizens with the saints and children of the household of God. You are built upon the foundation of the Apostles and Prophets. Jesus, Himself, being the corner stone of the building. Through Him the whole building is fashioned and grows into a Holy Temple through the help of the Lord. You are also builded by Him for a habitation of God through the Spirit.* 99

Ephesians 2

The foundation upon which you are encouraged to build your life is the same foundation as that which Jesus taught to the disciples. How strong is your foundation? Is it strong enough to support the Holy Temple in which you dwell! Jesus spoke about a lighthouse built upon a rock. He said that no matter how hard the wind blew or the sea crashed against it the lighthouse did not fall. He likened it to your foundation. Is your foundation built upon a rock, is it strong enough so that no matter what you come up against you will not fall! What does that strength depend upon? It is the making of the foundation. You know that every tall building has to have a very, very solid foundation. It may sway a little in a strong wind or even a tornado but it does not fall down. There is always one strong stone

*Long before the birth of Jesus,
God told the people that He would lay
in Zion a chief corner stone, approved
and precious and 'he that believeth on
Him shall not be ashamed'*

placed carefully in the foundation that enables the building to stand and last for generations.

Long before the birth of Jesus, God told the people that He would lay in Zion a chief corner stone, approved and precious and 'he that believeth on Him shall not be ashamed' – He was talking about Jesus: the One to whom we come for learning, guidance and understanding and knowledge.

We sing joyously at Christmas time, "Unto us a child is born, unto us a Son is given and the government shall be upon His shoulders and His name shall be called wonderful, counsellor, the everlasting Father, the Prince of Peace". What joy that gives to us. What a huge responsibility He carried. He came to the world in poverty, mixing with all those who struggled to work with their hands so that their families could be fed. So many of those who followed him to hear the stories also followed Him because they knew that He would feed them. Others knew that they would be healed. But not everyone was healed.

The purpose of His life was to bring the people back into the Love and Light of their Creator, their Father God, who loved them beyond all understanding. You too are living stones and you can build yourselves up to become living temples. It matters not what you are or who you are, whether you are rich or poor, you have been given an opportunity to learn about you – who you are – what you are – and what you can become. Everyone has their own assignments and their own lessons to learn. How they carry out these assignments or indeed whether they carry out these assignments is entirely up to them, Everyone has free will. They may well try to blame others for their inadequacies. However, they will find eventually that it was always their choice.

When you realise that God created you, your eyes are opened to what is called in this modern world – ‘a light bulb moment’. He has a habitation in you which offers the opportunity for you to become like Him. To have knowledge of the love of the Christ surpasses all understanding and it enables you to experience the fulness of the love of God and also gives you the opportunity to share that love with others.

The temple you build for yourself is not one of mortar. The Temple is you. You are a living temple; a lighthouse on the shore that never goes out. It is the Will of God that you should carry out good works. Do not expect glory or fame. Jesus said - do not let your left hand know what the right hand is doing. In other words do good without a great show. This is the way for all of God’s messengers, quietly going about the business of the Father in a world that is in great need.

Jesus often told His disciples and His followers that they were temples of the Most High. He also used other examples to try and get them to understand that there was more to them than what they saw when looking at each other, especially when telling His parables. For instance there was the sowing of the seed, the farmer, the salaries of the workers and the fig tree – just a few – but all with such a significant meaning to the message that Jesus was trying to bring into the minds of His followers. Spend a little time thinking about what a light house is for and if it were to be a temple what does it contain.

Its light has to be strong and stable so that ships, miles out at sea, can see it

Jesus often told His disciples and His followers that they were temples of the Most High. He also used other examples to try and get them to understand that there was more to them than what they saw when looking at each other, especially when telling His parables.

Now there is a depth to that statement! Another thing that is strong about a lighthouse is that its light is for everyone – not just for some. It does not pick and choose for whom it will shine its light.

clearly and not venture into the danger that the light is warning them about. If it wandered about all over the place ships would be constantly floundering over the rocks. Now there is a depth to that statement! Another thing that is strong about a lighthouse is that its light is for everyone – not just for some. It does not pick and choose for whom it will shine its light. Most people will take your lighthouse for granted. Everyone can see it, everyone will use it but not everyone will understand what it is that is being done for them. How strong is your light?

Before that light can shine it has to go through many trials and troubles of its own. The light has to be nurtured, cleansed and sometimes parts, especially bulbs, have to be changed and think of the power that it uses. This is all a part of the spiritual growth that is going on inside the lighthouse. The most important item will always be the foundation stone, the rock upon which the whole world depends. It may feel sometimes as if the foundation stone asks too much of the building. It is important to remember that it never asks for more than you can give..... your time, your knowledge, your assistance, your courage, your help.

Entry into the Kingdom of our Heavenly Father is through the spiritual tests that we undertake. Every day you go through tests of various kinds, some good and some not so good. They are all spiritual tests. Tests that are overcome by thought word and deed. The experiences gained through these tests are all part of the Way of Life that Jesus explained to His disciples and followers.

Jesus did everything He could to help the people and to encourage them to live the life that their Heavenly Father desired for them. His message and His

instructions have travelled the generations and world history is full of the wonders that all mankind has experienced and its history is written for all to read.

There are many ways that people celebrate the birth of our Saviour. When He began His ministry he had one benefit only – that all the people were expecting the Messiah – and here He was. But not in the way that they expected. They thought that He was going to be a great Leader of Men – fighting battles to rid the country of foreign rule. He certainly is a Leader of Men – but not for warring purposes – but for peaceful purposes – and most especially for the transformation of the souls of the people who live on the earth. He came to bring them back into the Kingdom of God that supersedes all earthly kingdoms – not through great wealth, strength or self-centred purposes – but through love for one another – for caring about the needs of others – as Jesus said; ‘giving and not counting the cost’ – he did not mean ‘giving’ by how much money or goods you were willing to part with in order to help someone but by giving yourself; sometimes that also means giving your life in order that others might benefit.

No life is ever wasted because there are always good days and bad days. Here on earth no one can know what they have achieved by their actions until they have passed into the Higher Life. Thinking of the welfare of others is not easy when you are going through difficult times. But look at the history of this country alone and note the horror of wars that have been experienced and how the people stood up and were counted for what they achieved while going through those hardships.

No life is ever wasted because there are always good days and bad days. Here on earth no one can know what they have achieved by their actions until they have passed into the Higher Life.

Jesus fulfilled all the prophecies that were made about His Life. Our Loving Father has no eternal aids for fighting evil – only His pure and sure rejection of it. That is why we are encouraged to put on the whole armour of God. So often we are told about the ‘Senses’

Jesus fulfilled all the prophecies that were made about His Life. Our Loving Father has no eternal aids for fighting evil – only His pure and sure rejection of it. That is why we are encouraged to put on the whole armour of God. So often we are told about the ‘Senses’; how sensitive they are – how sensitive we are – that is where the whole armour of God comes to our aid. As a lighthouse for God we cannot be self-centred, we need the whole armour – both inside and outside – if it is not all around – what will happen to the lighthouse?

So many people walk through this life oblivious of the fact of their spiritual reality. This applies to everyone at some point until they become aware that they are indeed a soul in a physical body come to earth with a special task to do – no matter where, no matter when, no matter how, no matter what. Because every choice and decision made is a part of the foundation that you are creating. The reality of the result will be when the individual sees the result of all their actions and decisions.

The parables give so many examples of the benefit of following the pathway that Jesus offered to everyone. Has your lighthouse been built upon a rock – can you stand firm in the storm and say ‘yes’. Who is the cornerstone in your lighthouse? Do you bend when the storms of the world come knocking at your door?

Everyone is fed and watered every day. Each day you are given the opportunity to take one step further up the staircase to life everlasting in the Light and

Love of a Father who holds you in His arms. The choice you make is always your own. You gain strength, spiritual knowledge, truth and how to love when the storms of life seem to overwhelm you. Using the message of Jesus as you go through every experience, teaching others as you have learned yourself, allowing the knowledge you possess to live in your heart and mind; allowing it to express itself in spite of whatever is tossed at you.

Always remember that you are a Lighthouse/Temple for the glory of God. Giving out your light and love to all with whom you come into contact. Your light may dim, but as long as you have strength within you to overcome, that light will never go out. How strong it becomes is always entirely dependant upon you.

Because of you the Christmas message will stay alive generation after generation. Many millions will benefit because you have struggled and come through the temptations of the earth into a light that never goes out; feet firm on a foundation that will stand for ever – and forever is a very long time. You may not know them or ever meet them on this earth but by your effort, your love, your caring, the foundation that you have created wherever you may be and all that you are will never die. Love is more powerful than hate and anger never solves any solutions. And we shall sing forever more, glory to God in the highest and on earth peace to men of goodwill.

May God bless you throughout all your endeavours

Zodiac Prayer

*Mighty Spirit, Creator of all things,
Thou Who hast planned this realm and all those many planes beyond,
we come to Thee certain that, because thou art our Father,
Thou wilt listen to us.*

*With that deeper understanding we shall know
that Thou hast provided even before we ask.*

*Father, grant that the thought of Thy love and understanding may always
hold chief place in our minds. While we acknowledge Thy power –
yet above that Thy Love may shine forth
and we can feel towards Thee as a child towards its most tender mother.*

*We pray Thee to lead us one step further into the light of understanding.
Grant that we may close behind us another gate
which separates us from the darkness of spiritual ignorance.*

*As we progress may we remember
those who still linger in the twilight of misunderstanding.*

*Grant that our example may enable them
to pass those many obstacles with never a pause.*

*Help them to see with the eyes of faith,
the Light of the World, not only in front but walking by their side.*

*O Christ, Thou knowest all our needs.
Sometimes it seems to us that Thou standest afar off.*

*Yet we know, because Thou hast taught us
that although Thou ever goest in front
yet because Thou art our Companion,
so Thou walkest with Thy children
through the dark and terrible places of misunderstanding.*

*Oh God, attune our minds to holy things;
help us to separate our thoughts from the world,
in its worldly sense;
help us to cross the threshold of intangible things;
help us to make contact with Reality itself.*

Amen

† News from Headquarters

All the many blessings of Christmas to all The Greater World family wherever you are and whatever you are doing. Another Christmas has dawned upon us and once again we are wondering what the New Year will bring! In spite of everything we have had a most eventful year – not all pleasant by any means, but if we can laugh at our troubles then we can smile – even when we do not feel like it.

The Churches opened again for the Harvest Service and the Service of Remembrance. It is hoped to hold Christmas Services – if all is well. Sadly we shall not be having a Carol Service at Headquarters this year. Once again we shall be looking forward to a better 2022 for everyone when we can gather as usual in our famous tearoom, without having to think are we far enough apart.....

The family all over the world have been busy carrying out the helpful work wherever it has been needed. We, at headquarters have tried to keep you informed of all that has to be done. Believe it or not, the Temple of Light in Chatham is still having

troubles with the water company. Where are all the knowledgeable/reliable people when they are needed! And – why does everything have to be so expensive!!!!

Thank you to all the students who are taking the courses, who have carried on their good work – even though there have not been any workshops this year after all. Thank you to all the Tutors who give their time freely and with good heart, for the benefit of those who wish to learn. It was hoped that one or two workshops could have been held before the end of December – but there is always next year! Only those who have already taken the Courses will know the benefit of the workshops and the learning and laughter that ensues every time we meet together.

On behalf of all members and anyone who has had contact with the staff at headquarters I would like to thank the staff. Once again they have emerged triumphant in times of struggle, ill health and other situations that required to be dealt with carefully.

Once again this year many of us have had to deal with the loss of

someone they loved – dealing with one's own grief while doing one's best to help others going through the same problem is not easy. Yet, with courage and inner strength they have managed to deal with all situations and come through a little wiser, a little stronger and a little more certain that they are on the right path. Let us pray that next year will bring some improvement!

Bless you all for your continued support. If you have an item you would like placed in the News Letter please contact headquarters. Psychic News has asked me to let you know that their News can be found on the internet.

Enjoy your Christmas wherever you are and meet and greet whenever you can. Smile at everyone and God Bless you – everyone.

News from the Churches

Clarendon Road Sanctuary, Leeds

Loving greetings from Harrogate and Leeds Sanctuary to all the members of The Greater World family.

We are still living in very different times and must remain positive and keep on keeping on. I hope that you are all keeping well, lifting your spirits and realizing your own potential.

As I write there is a definite Autumnal feel to the weather. We can still enjoy the great outside. The colours and smells of Autumn ‘the season of mellow fruitfulness’ can bring pleasure and upliftment to everyone wherever you are in the garden, park or the countryside.

The Leeds Sanctuary closed in March 2020 with all Services and Events postponed and cancelled. We have missed it all. Recently we would have been celebrating the Harvest Festival, giving thanks for the beauties of the earth and remembering the harvest of lost souls.

Thoughts went out in Leeds and elsewhere for the 87th Anniversary of Praise and Thanksgiving for the opening of the Leeds Sanctuary. In their turn thoughts and prayers went out for all Hallows and All Saints days. Plans are being made to open the Church on November 14th,

Remembrance Sunday, at 3.00pm. Then a weekly Service on Sundays at 3.00pm until the end of 2021, which will take us through Advent to Christmas and the New Year.

I feel sure that many of you will have had thoughts about these special days and sent out your prayers and will continue to do so, in your own way.

I know that you have been able to maintain contact by whatever means you can with family and friends. The Family of The Greater World are still working to keep the Light burning, understanding the importance of love, kindness, compassion, so gaining inner strength. This makes it easier to stay positive throughout difficulties remembering that is our “Way of Life” and having trust in our Father God makes everything possible.

However, it is still necessary to be aware and look after each other as the virus has not gone away. Follow the guidelines and regulations as circumstances change.

My grateful thanks to all our speakers and helpers for your understanding and patience at this time. Special thanks to Revd. Paul Merryweather who has been into the Sanctuary very regularly to check the building over. Thanks also to Barry Sheridan who has kept the outside areas weed free all year.

Everyone associated with Leeds

Sanctuary send you love, health, happiness and all that you wish for yourselves and your loved ones at the end of the old year and into the new.

In whichever way you are able to celebrate the Birth of the Christ Child in these changed times, individually or with family members, remember that love conquers everything and keep the Christ Light alive and growing in the world.

Love and blessings in all that you do.
God Bless you all

Temple of Light, Chatham

Loving greetings from the Temple of Light. We were so delighted that at last we were able to open our church, especially at this time of the year when there is so much to celebrate.

The photo shows the joy of what it means to give.

We held our Harvest Festival and were very pleased to donate all offerings of food and donations to The Wisdom Hospice.

Our Carol Service will be held on 19th December at 4.00pm. We look forward to seeing you when you will receive a warm and loving welcome.

“O God, send down Thy Power – Thy Power, Thy Peace, Thy quieting influence – send down Thy Power so that Thy children, in faith, in hope, and in anticipation, may receive Thy Healing Power in abundance, each according to their need. Amen”

Healing Prayer

Loving Heavenly Father, let Your gracious, healing power flow over all who are suffering, whether it be of body, mind or spirit. Give to them the strength and the courage to go through their days and help them to understand that all trials in life have a purpose. Lift their heart and mind to the promise that Jesus gave – “Lo! I am with you always”. Open the heart and mind of those who have them in their care and give to them the knowledge that they are carrying out your work here on earth. Loving Lord let Your Light shine in the darkness bringing comfort of heart and peace of mind. In the name of Jesus the Christ our saviour. Amen

Man's Mea of T

Many of you will realise that you have been called by the power of the Holy Spirit. If there are some of you who come out of curiosity, then you too are welcome in the Name of the Christ. In times of long ago there were many who were drawn into the gatherings because they wanted to know what manner of Man was professed to be the Messiah. You are asked in the bible to seek – where you shall find – and blessed are they who have the courage to seek. For God, Himself, has ordained that they shall find.

WHAT HAS KEPT BACK REVELATION

The trouble over the generations is this – and you know it well: So many people rested upon the efforts of others. Some gave their all to spread

the Light of the Christ and they created so much power that as time went by there arose the few saints and martyrs. However, there were few who were willing to make the full surrender. It seemed to them that they had sufficient measure of knowledge, that the Light-bringer had given to man that which should suffice. Jesus did not say this: He emphasized that there was very little time in which He could make the listeners take possession of all that He had to give them. Their minds were too untutored, they had been hemmed in by the traditional religion's of the past. Again and again He sought to unfold a wider measure of truth; yet spiritual growth is a slow process and he had to add: "you cannot beat it now!" Still the glorious promise was given

suring Rod ruth

that there should come the gift of the Holy Spirit which would lead all man into the truth.

Today there are those who come into your midst, sent as an ambassador of the Christ, to speak on that which is Man's Measuring Rod of Truth. This subject vitally concerns you all.

There is no one, whatever his office, who can repudiate the responsibility of contributing to truth. It is no use for anyone, however good, to climb only upon the steps hewn by the sufferings of others. Surely the time comes when the individual must contribute to his own step and out of the anguish within thus bring a little light to illumine the darkened places of the earth plane.

When thinking of the various

religions of your time, give them honour. However, put before any special religion the actual teaching of the Christ Himself - in the measure that man is bound by the rules and dogmas which have emanated from the minds of other men. When this happens the Light of the Christ is put in second place.

HOW THE CHRISTIAN TODAY COMPARES WITH THE DISCIPLES

Today you are being given a new religion. Those who exercise the gifts of the Spirit are but seeking that which the personal followers of the Master did in their time. In regard to the representatives of religion today: How far do they put into practice and exercise the gifts of the Spirit as shown by Peter and by Paul

Yet, when they found that the people delighted in the display and were not taking to heart the teaching the disciples desired to pass on, then they reserved the gift: For with the gifts of the spirit, unless they are used for Divine Purpose – to bring light into bound minds – then it were better by far to lay aside.

and many others whose names have not been chronicled in the Bible? In times past they obeyed the Master Christ. They withdrew together and by eradicating their baser selves, so the power of the Holy Spirit poured through them: They were Messengers for higher intelligence.

Then, as you know, there were uneducated, humble men, through whom the gift of tongues was displayed in a mighty form. Yet, when they found that the people delighted in the display and were not taking to heart the teaching the disciples desired to pass on, then

they reserved the gift: For with the gifts of the spirit, unless they are used for Divine Purpose – to bring light into bound minds – then it were better by far to lay aside.

The people were gathered together and after prayer and dedication there was the laying on of hands. Many rejoiced that their bodies were healed. But mark this: If they had not the wish within them to cleanse their souls, their bodies soon fell into diseases far more serious than those from which they had been cured.

In the darkness of the night, as an old

man, Zodiac took himself through the villages and the hamlets, over the hills into strange places and often he trudged along weary and perhaps a little disappointed because the seeds that he had sown did not make the showing that he had hoped. Even though he knew that the heavenly ones spoke to him, even as the angels came to Mary and Joseph.

WHAT WE OWE TO CLEAR VISION 2000 YEARS AGO

Consider this and its great import for when you are free from the body you must face the truth; whether you are willing to do so or not. If it were possible, in days of old, for clear vision to be granted, for the ears to catch the

finer vibrations of spirit, then why today should these manifestations of God's own gifts be denied to those who seek and hope to find? You know that there are many, worthy at heart though they may be, who are afraid to test the Christ, afraid to take upon themselves the responsibility of exercising those gifts of the Spirit which were intended should be part of the equipment of every representative of the Christ. It is for this reason that some come back from the Spirit life. Many are seeking for suitable instruments, but because of the fear and the opinions of others block the road, they have to wait and wait until one who can dare persecution will lend themselves for the further illumination of Divine Truth.

Many are seeking for suitable instruments, but because of the fear and the opinions of others block the road, they have to wait and wait until one who can dare persecution will lend themselves for the further illumination of Divine Truth.

In generations past and in these times there have been men and women who, under great suffering or stress and strain, have seen a light which is not of the earth. There are those who would deny the fact of spirit return and spirit communion.

In generations past and in these times there have been men and women who, under great suffering or stress and strain, have seen a light which is not of the earth. There are those who would deny the fact of spirit return and spirit communion. Yet they have loved ones who have gone on before. Woe to such as these if they fail to testify to the Grace that has been granted to them; they know not what they do.

You do not know when the tabernacle of flesh may be taken from you or when the physical mind will pass into the dust to which it belongs. So, today, you are being reasoned with; use those thinking faculties, arouse your desire to

exercise the mind of the Spirit so that when your time comes – that sweet hour of liberation from the narrow confines of these material plains – you will have some equipment of Divine law, you will have gathered together a few tools to bring happiness to others and happiness to yourself.

HOW FAR HAVE YOU PENETRATED INTO TRUTH

You are being pleaded with, to turn over in your minds the measuring rod of truth which you possess at this time. It is only an inch? It can be extended by the Power and Grace of God. The responsibility rests upon you individually. It is no use to say:

"What was good enough for my father is good enough for me!" You have to go back further still. What was good enough for the disciples, the personal attendants of the Christ, should indeed be good enough for you.

Review your minds and the attitude that you take towards truth. Do you believe in that which you name the New Testament? Then you dare not deny spirit return and spirit communion = the congregating of

angels round faltering, sinful men the wonderful manifestations which took place among those who seemed so ignorant to the learned ones in the Temple. But, the learned ones were not ready to witness that glorious manifestation of angels singing and proclaiming the good news to man.

THE BARRIER OF INTELLECTUAL PRIDE

Is it not the same today? When man

Be warned! The mind of the body can be a most precious tool but only in the degree that it is governed by the Spirit within man. There has been a mass of so-called knowledge accumulated for the benefit of others and in the degree that it has helped others it is blessed and the fruits of those efforts will last for evermore.

is in love with his own mentality, the door of revelation often remains closed. It takes a humble heart and an obedient will to learn of Him, the Great Truth Bringer, the One who demonstrated the gifts of the Spirit of perfection.

Be warned! The mind of the body can be a most precious tool but only in the degree that it is governed by the Spirit within man. There has been a mass of so-called knowledge accumulated for the benefit of others and in the degree that it has helped others it is blessed and the fruits of those efforts will last for evermore. Many talents have been employed to desecrate art and

music, to tarnish God's flowers and destroy their fragrance, to turn to base uses the precious gifts given by an all Loving Father.

Man has toiled! Yes! But for what has he toiled? The one who answers; 'to keep my own!' is near to the kingdom. God understands that you must have your daily bread and it is a wise man who prays that he may be guided to bring in that which is essential for his home.

So many have toiled for material fame; for the amassing of the things of the earth which surely will perish. They have forgotten that, whether they are willing or not the time comes when The Messenger draws

them out of this condition into another state. Then is brought home to the one concerned the length of the measuring rod of truth which he has made his own.

There are many things to distract; the calls of the material world ring out down the years and few there are who are willing to give up one hour to God.

Never-the-less, the time comes when the scene is changed for the individual and in that sphere of illumination prepared by God for those who love Him, the past and what it held must be faced. While the body is your own, it is easy sometimes to stifle conscience. But when the body is cast asunder there is truth and truth only, all around, and this has to be faced.

A MESSAGE FOR THE NEW YEAR

You may think that the time is full of sadness – that the only message that can be given is one of further sorrow and loss. That is against the Truth and the Will of God. Wars and troubles to you seem so destructive. But God is not mocked. Out of the wreckage, out of the loss, out of the betrayal – because of the suffering – the sweet blossoms of the Spirit spring into life. There will be many who will thank God that they endured right to the physical end. When the end of the physical comes it means freedom; it means illumination; man shall walk in darkness no more.

The message for the New Year is

Never-the-less, the time comes when the scene is changed for the individual and in that sphere of illumination prepared by God for those who love Him, the past and what it held must be faced. While the body is your own, it is easy sometimes to stifle conscience.

Let the teachers and the preachers go back to the Holy Book and find the courage within to put into practice that which the Master taught the disciples of old. What of the sufferers? What of the sufferers in those days – the young who were driven like lambs to the slaughter – the old men and women who, on finding themselves in the arena, still had faith in God?

this; Man will be challenged as to the measure of truth that he has made his own. Let the teachers and the preachers go back to the Holy Book and find the courage within to put into practice that which the Master taught the disciples of old. What of the sufferers? What of the sufferers in those days – the young who were driven like lambs to the slaughter – the old men and women who, on finding themselves in the arena, still had faith in God?

Would the representatives of the Christ today be willing to endure

such processes of training so that truth could come to man on earth? This is a question that you can only answer for yourself.

THE AFTER LIFE OF THOSE WHO DID WHAT THEY COULD

The message to the strivers, to the workers, to those who are determined to do their best for the benefit of all mankind is this; in the sweet by and by every inch of knowledge you have gained – which is limited by the physical limitations – has grown and grown. Just by the observance of the

simple task; by seeking to honour God and to serve your brothers and sisters, by the patience to wait for God's Will to be worked out. When the body of the flesh is cast aside you will be seen in garments of light. In the past – they did what they could – and though it seemed to them that they failed and failed – even those of the long ago were crucified in mind by the thought that so little had been done for their Master and their Lord. It shall be manifested in finer conditions that God is not only LOVE but generous past man's understanding.

You cannot say when you are free from the flesh that you did not have the opportunity of understanding the laws that govern spirit life. It is all in the Bible and you must prepare yourself to face the responsibility if you do not pass on your knowledge, if you do not go to the broken hearted, part the veil that shuts them off from those they love and bring peace to their aching hearts.

Many parents question within whether God can be Love if He takes away one so infinitely dear. But God never takes away. God can

You cannot say when you are free from the flesh that you did not have the opportunity of understanding the laws that govern spirit life. It is all in the Bible and you must prepare yourself to face the responsibility if you do not pass on your knowledge, if you do not go to the broken hearted, part the veil that shuts them off from those they love and bring peace to their aching hearts.

A new year of work lies ahead of you. Your measuring rod of truth must be extended so that you may co-operate with the angels of the Most High, so that you may bring peace to tortured man; so that those who are obsessed by material ambition and lust for worldly power may be brought back to reality, may be enabled to see that what they are doing is imprisoning themselves.

only give – for He is the Master Giver. It is man, by his materialism that has reared up the obstacles dark and menacing between life in the body and life in other worlds. That is man's responsibility; in the degree that truth has been made his own, to set to work to break down those conditions of sin in order to allow the light of the Holy Spirit to stream through the dark passages of the earth. Then mankind shall look up and sorrow no more.

WHY OUR MEASURING ROD MUST BE EXTENDED

A new year of work lies ahead of you. Your measuring rod of truth must be extended so that you may co-operate with the angels of the Most High, so that you may bring peace to tortured man; so that those who are obsessed by material ambition and lust for worldly power may be brought back to reality, may be enabled to see that what they are doing is imprisoning themselves. God is waiting for them to repent –

if only they will turn to Christ. He will bring them through. In time to come there shall not be one lost. The Father's Home would be incomplete if one lamb were outside the Fold.

So you can see how great an honour is resting upon you. It is your part to be up and doing; to demonstrate that the Christ within you can be freed. As you struggle with yourself, with your baser self, as you turn to Christ for support, by the exercise of the will and patience, you shall win through. Then – what have you done? You have not only emancipated yourself but you have shown by your example how man can be emancipated; how this world can be

cleansed of self and how the vibrations of the Spirit can sweeten and recharge it.

The Power is here with you. By the Will of God those from the Higher Life, who have your interest at heart, come among you to aid and assist. The Christ gives the Power – the working out is in His Holy hand. The world has felt a quickening breath. In the measure of your faith so shall it be unto you – for God has promised.

You are blessed with the knowledge and understanding so arise and do your part. Realise that Pentecost can be demonstrated again and again. Alas many in the World of the spirit

So you can see how great an honour is resting upon you. It is your part to be up and doing; to demonstrate that the Christ within you can be freed. As you struggle with yourself, with your baser self, as you turn to Christ for support, by the exercise of the will and patience, you shall win through.

You are blessed, comrades on the road home to God. Be of good cheer. Keep your heel on fear – with Christ you are conquerors by His Grace. Make your vows anew. The past is past. Tomorrow teems with opportunity. The New Year lies before you in which to demonstrate Christ and His Love for every seeking man.

are waiting for those who are willing to sacrifice, willing to test their God, so that His Power may be shed on those who are hungry, those who are sick in mind and body, those who are seeking for the Bread of Life.

Grace. Make your vows anew. The past is past. Tomorrow teems with opportunity. The New Year lies before you in which to demonstrate Christ and His Love for every seeking man.

No one who has called upon the Power of God, believing, has found it to fail. What is possible with one is possible with all.

Throw open the gates of the Divine

Address given at: Friends' Meeting House,

within you. Let it gain its freedom and remember this, in time and in turn each one must attain that purity and perfection as the Christ Himself. Christ is God. Surely the knowledge has come to you that nothing can separate you from the Love of God! He is your Father.

You are all blessed. Go forward with a valiant heart. Tests must come because only in this way can the Traveller be turned into a Pilgrim and the Pilgrim into a Messenger As the tests are met, the Power shall manifest and those who are faithful to the earthly end shall find in time to come that many blessed their

name and thanked the Father that they passed their way.

The measuring rod of truth! Thanks be to God that for ever and ever the gates of revelation are open to seeking man. Thank God for the pioneers: For the men and women who knew so much less than you do today and yet found from within the strength to face martyrdom and to triumph over physical death.

You are blessed in the Name of Jesus the Christ. Again, you are urged to go back over the Master's words – follow in His footsteps and manifest God to your fellow man.

MISS WINIFRED MOYES devoted her life to acting as the sole instrument for the inspired teachings of 'Zodiac' who in his earthly life was a teacher in the Temple of Jerusalem at the time of Jesus. He chose the name 'Zodiac' to lift men's thoughts from the earth to the heavens'. Zodiac delivered 1,475 addresses between 1924 and 1957 at meetings which

often attracted thousands of people. The teachings continued to inspire those enquiring into the meaning and purpose of life, the function of the natural gifts of Healing and Spirit Communion, and the reassurance of the immortality of the Spirit. Zodiac named his great work 'The Christ Mission', and it is upon this that The Greater World is founded.
